**Medical Treatment and liability release:**

In order that my daughter or son may receive any necessary medical treatment in case of injury or illness while participating on a County Line United Methodist Church activity, I hereby authorize the leaders to obtain and consent to medical treatment for my child should it be necessary. In the case of an emergency, I understand that every effort will be made to contact the parent(s) or guardian(s) of the participant. In the event that neither I nor the Emergency Contact listed above can be contacted, I give permission for the adult in charge to select a physician, to hospitalize, to secure proper treatment for, and to order injection, anesthesia, or surgery for my child listed above.

I release and discharge County Line UMC, its staff, and volunteers from any and all debts, judgements, or suits of any kind which may arise from the applicant's participation in this event.
